GALÚ

innovative accumulator tanks

Directors:

Cormac McHugh

Juho Nuosmaa

Peter Mulreid

Introduction

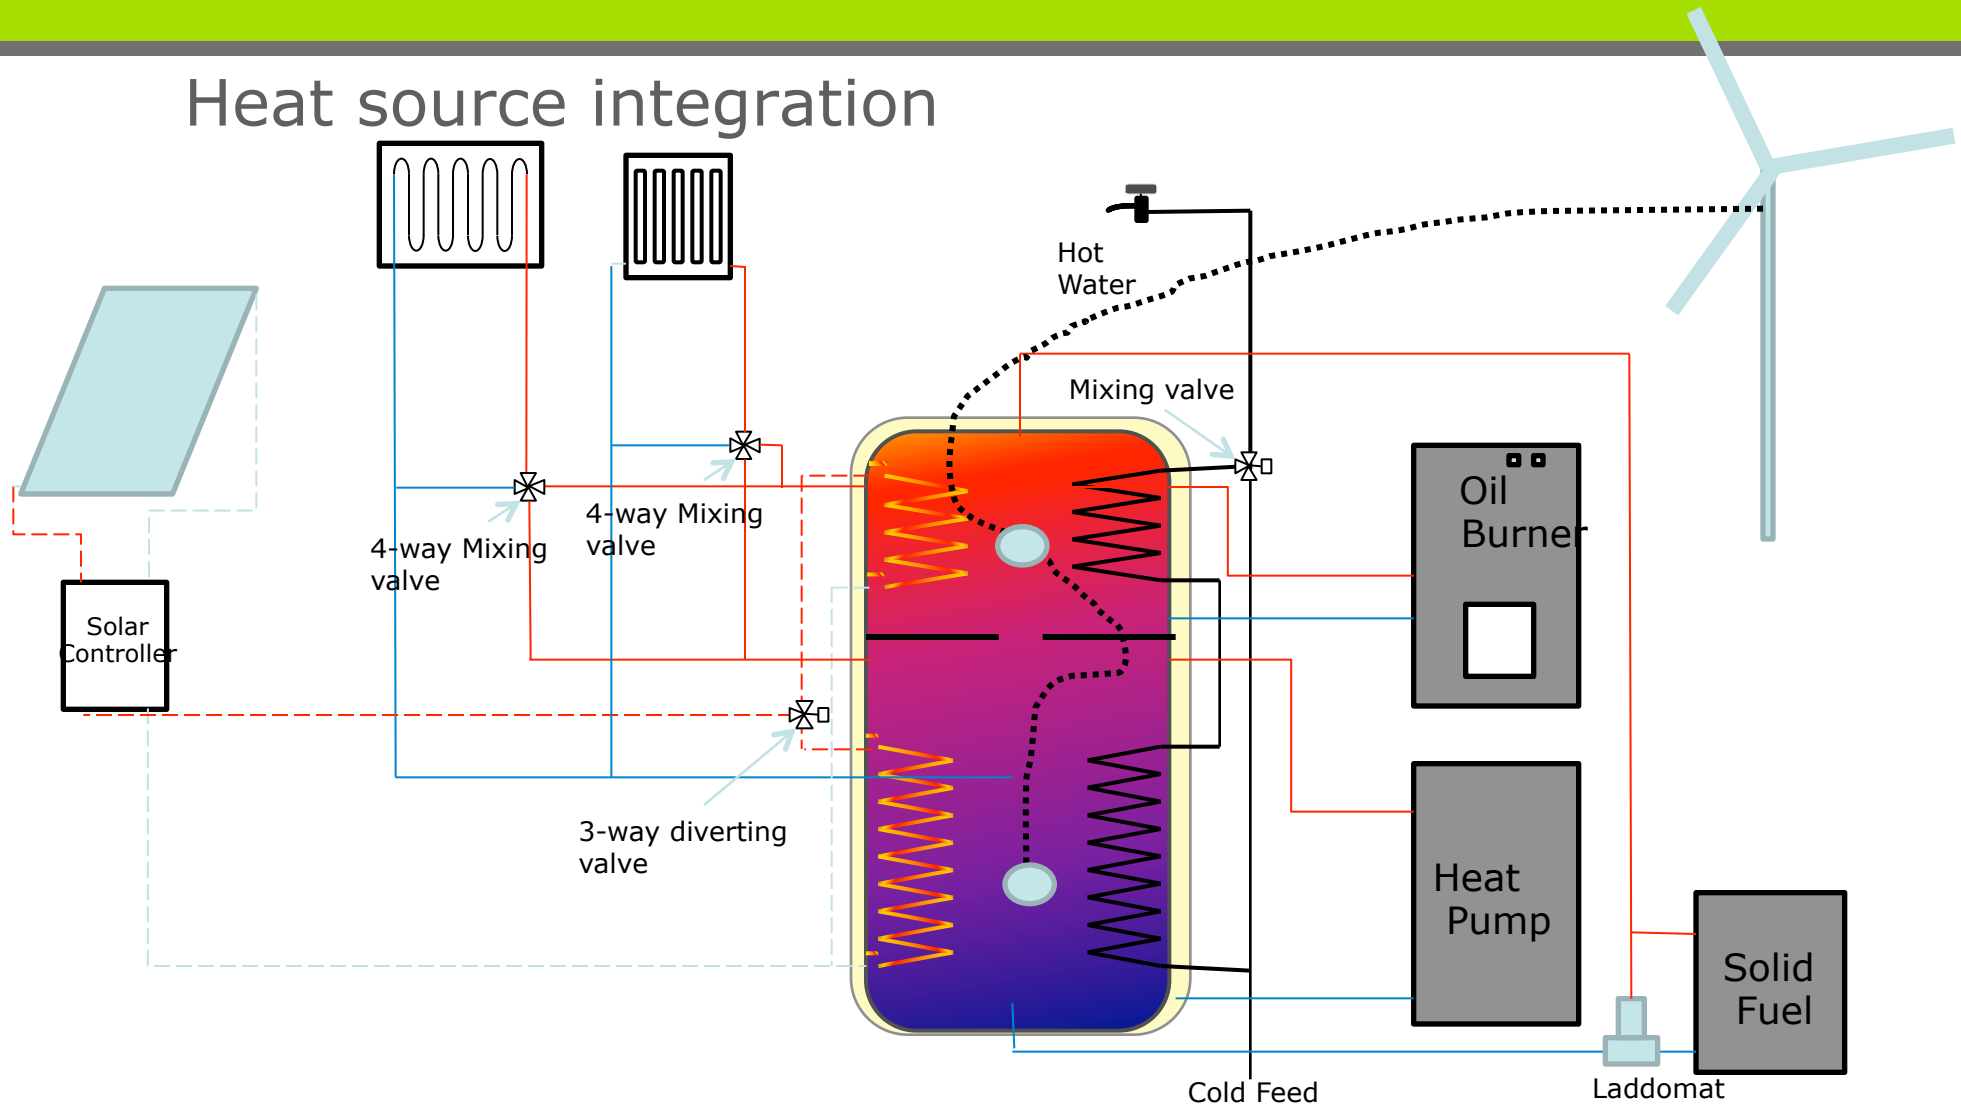

- Newly formed company
- Uk as primary market
- Manufactured in Ireland
- Accumulator tanks

Accumulator Tanks

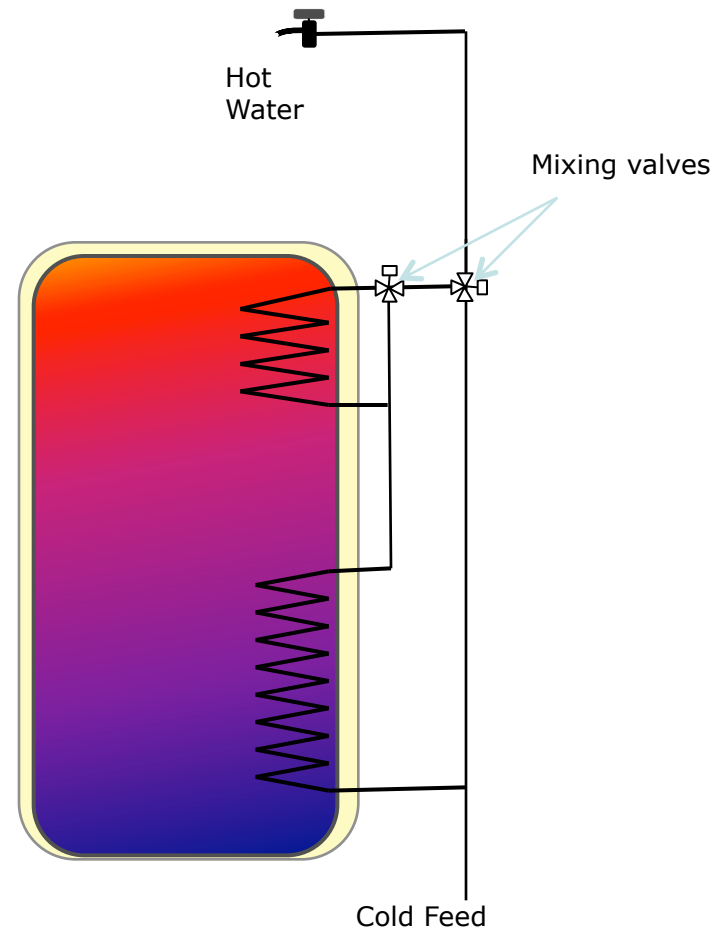

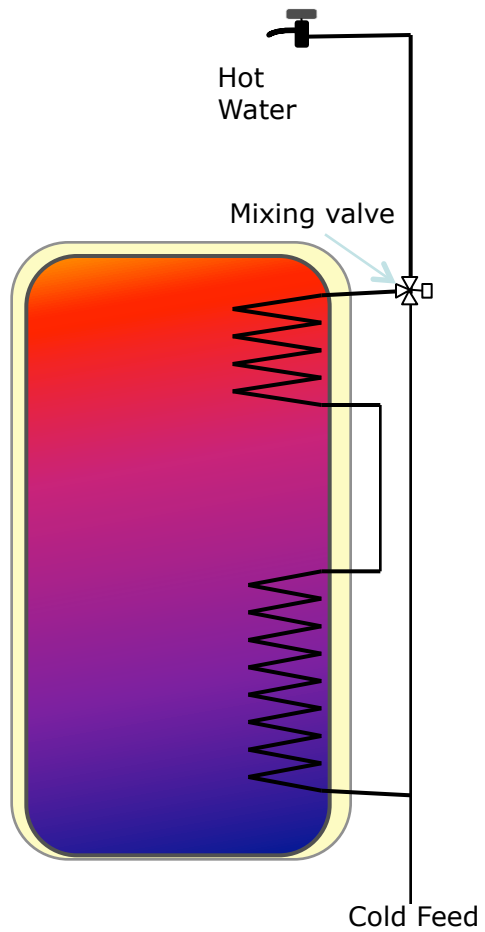

- Heat source Integration
- DHW on demand
- Heat retention
- Bespoke design

Heat source integration

On demand DHW

Heat Retention

High Grade insulation

Factory applied

Hermitically sealed

Design loss <1deg per day

Bespoke Design

- Volume
- Insulation
- Ports
- Coils
- Flexible manufacturing capabilities

Facilities

- 30,000 sq ft on four acres
- Production Machinery

Sales and Distribution

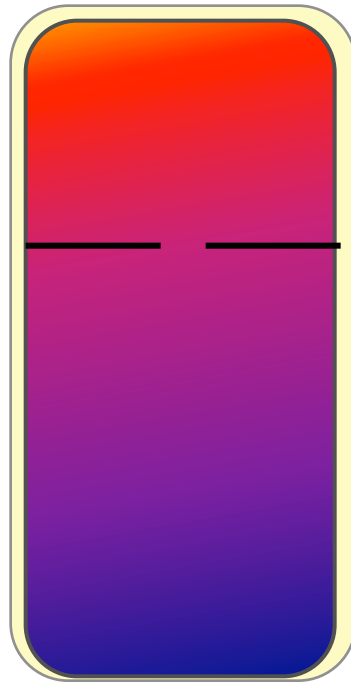

- Core distributors throughout the UK.
- Solution not component focus
- Minimum number of distributors to adequately satisfy the market
- Knowledge based

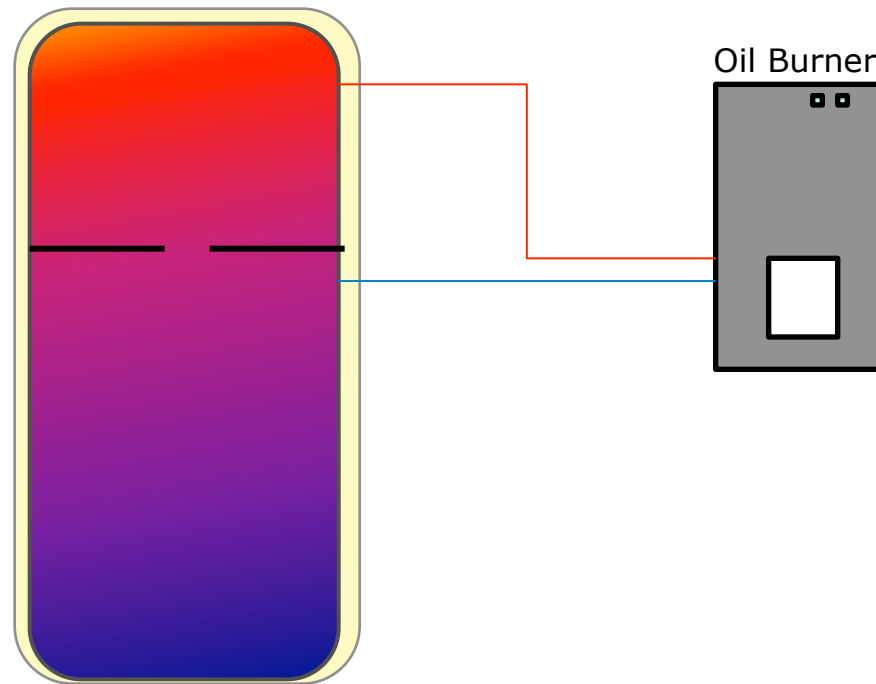

Research and Development

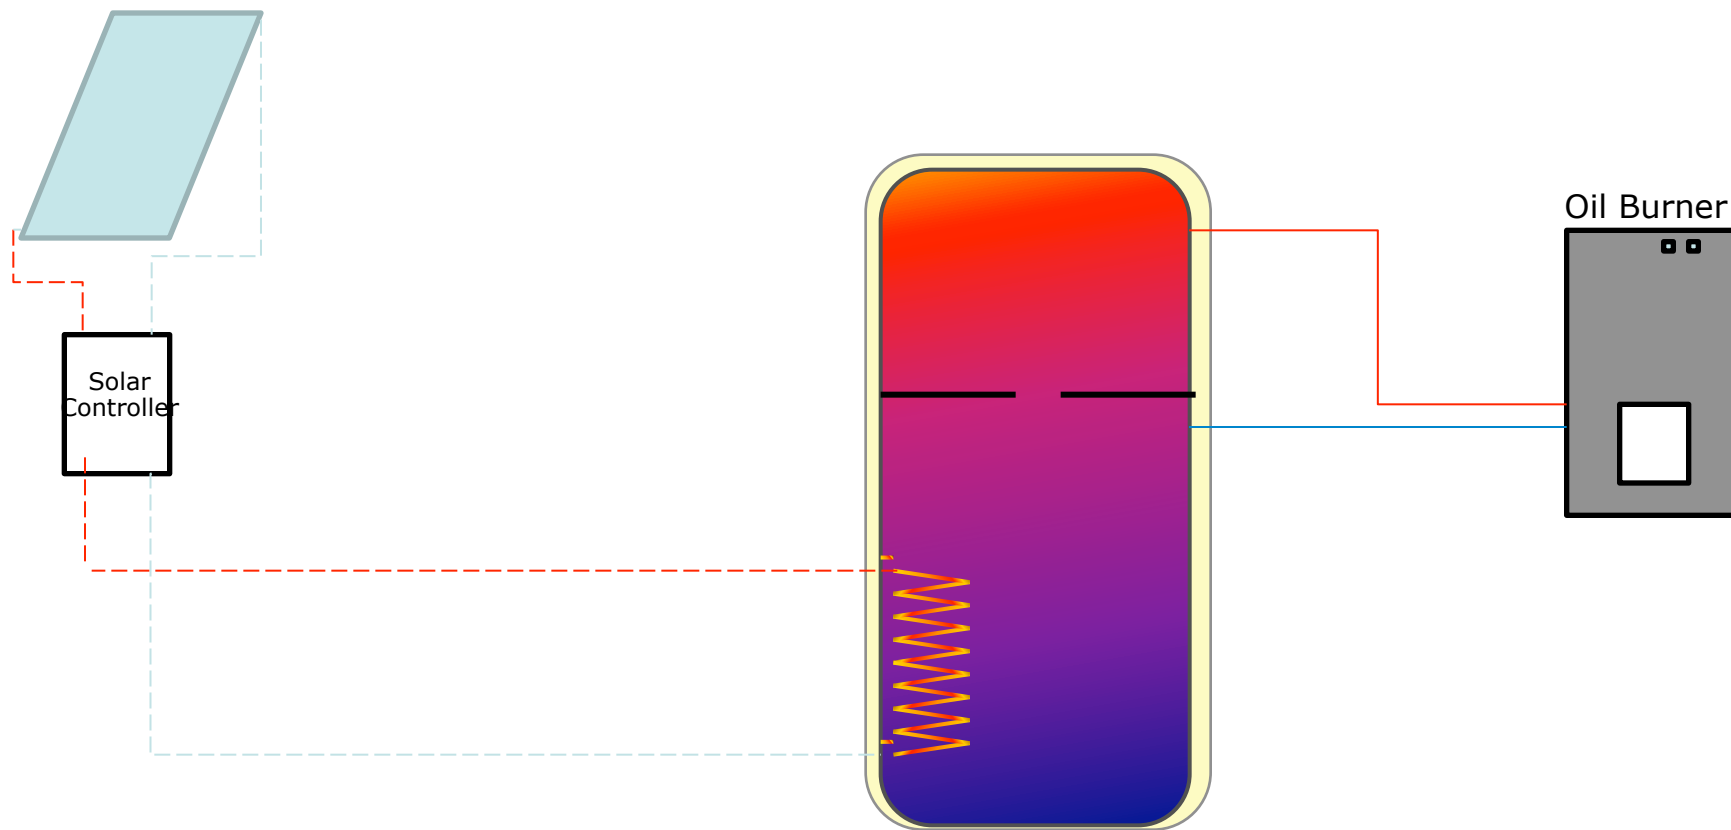

- Leading Universities
- Manufacturers/Suppliers
- Distributers and Installers

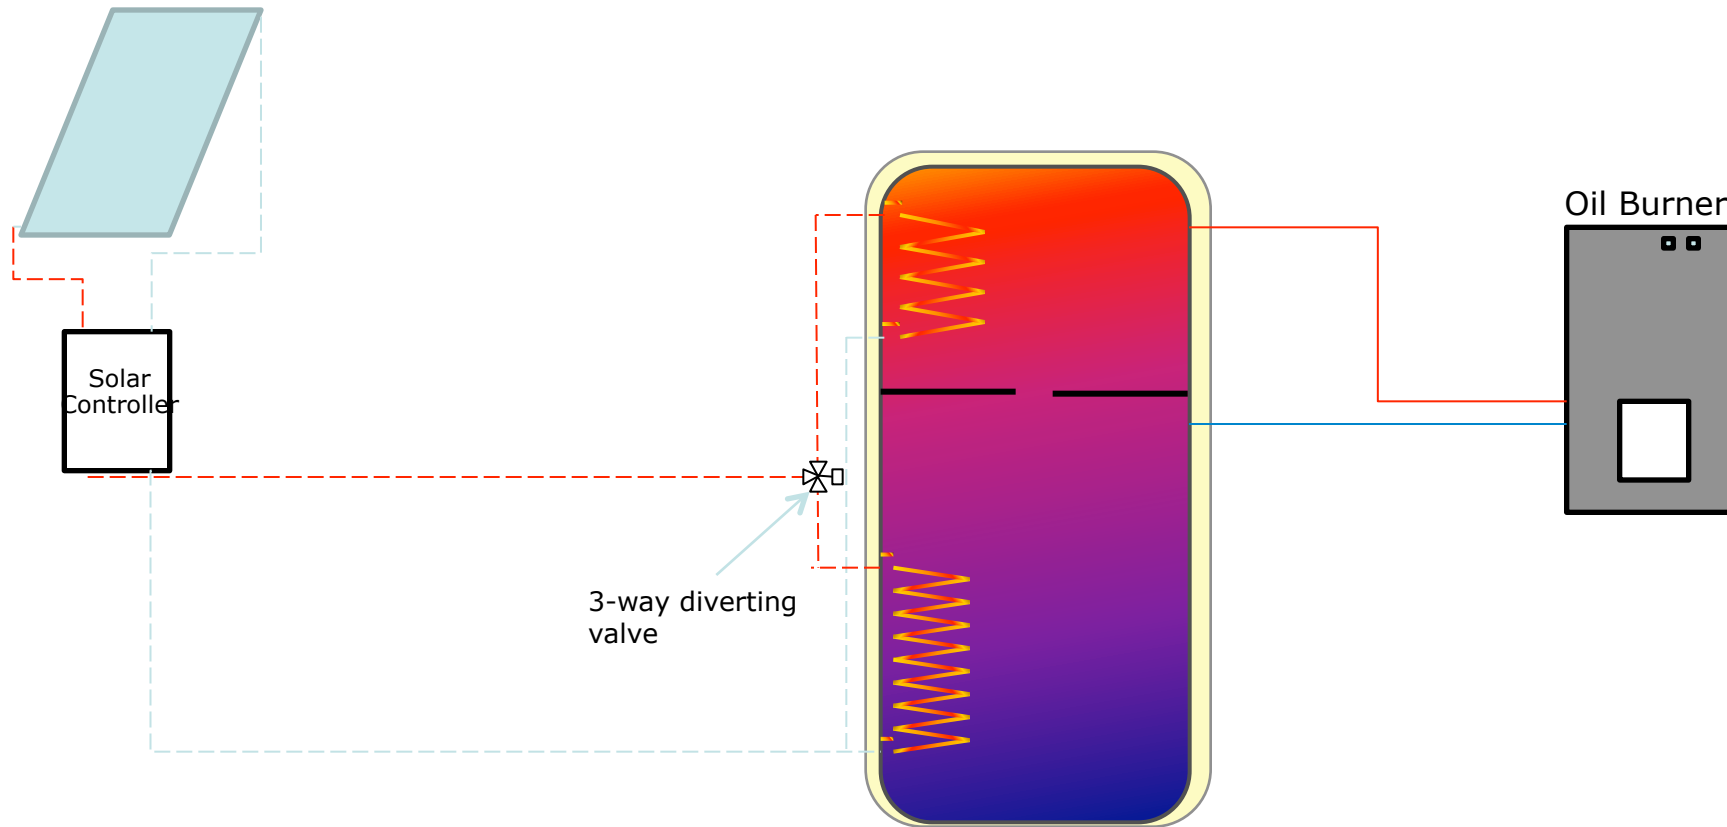

Future Direction

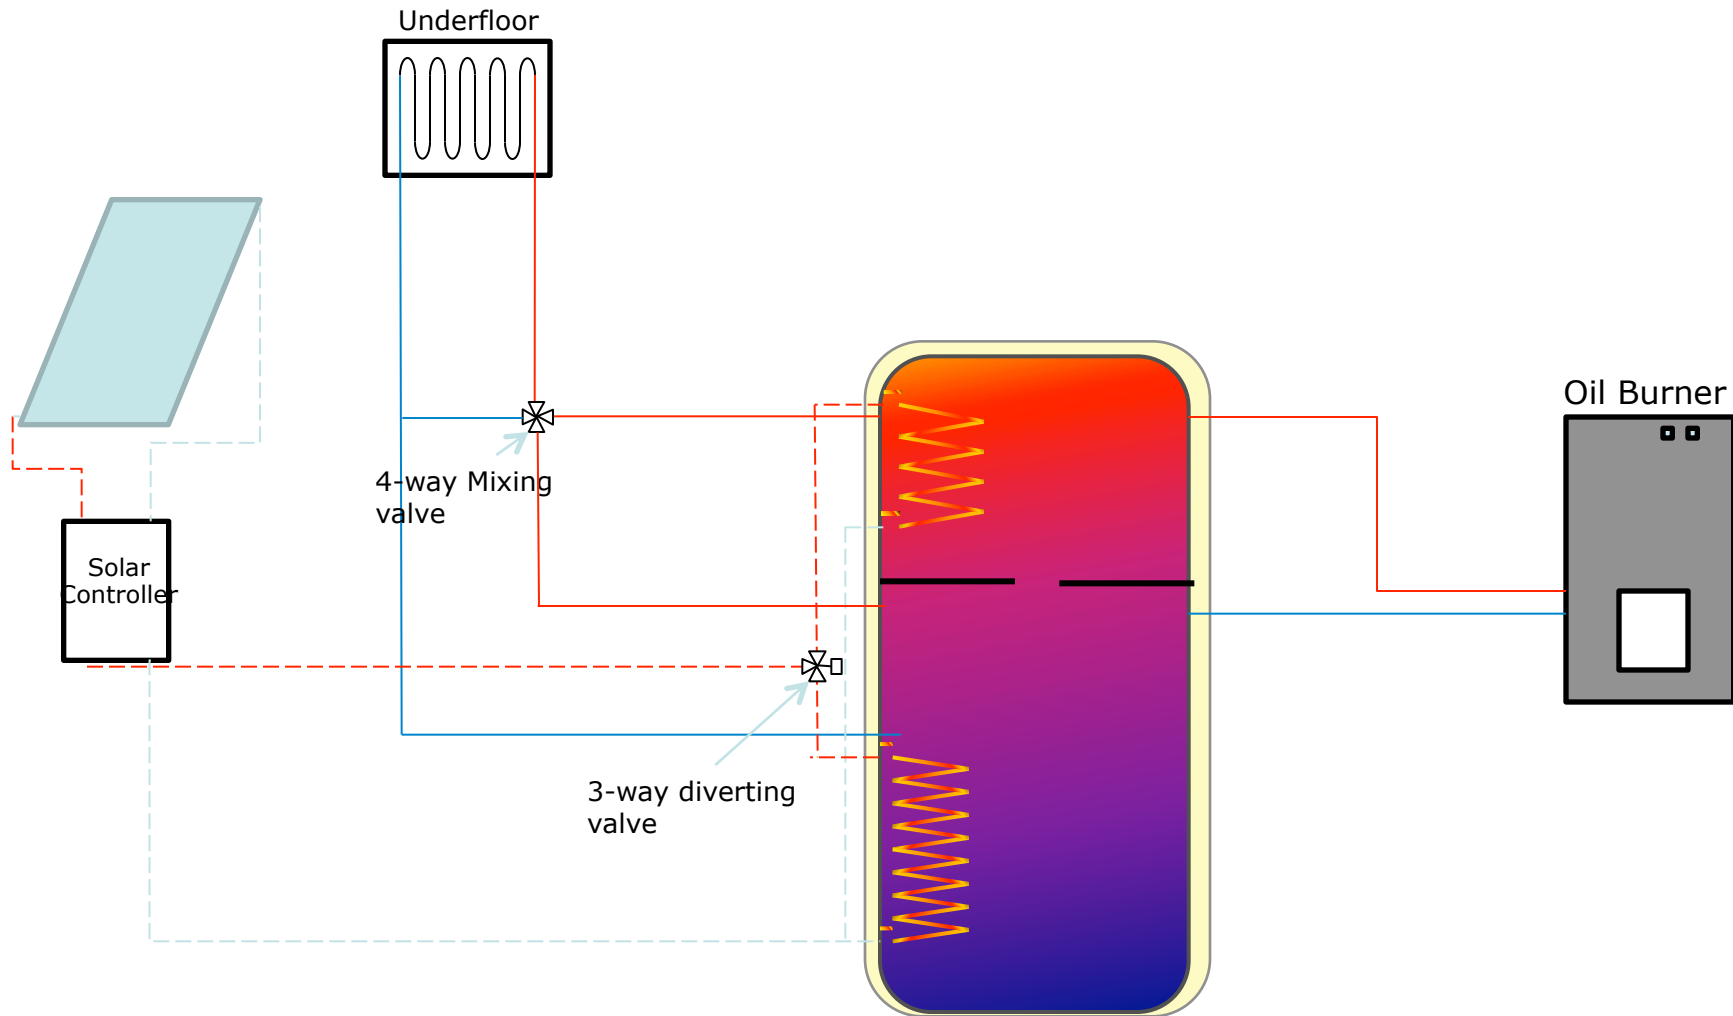

- UK and Ireland 2012-13
- Rest of Europe Mid 2013
- Eastern Europe Late 2013
- United States Late 2014
